'Eva', a chair that both sits and reclines by Andersen & Vøll

At this year's south Design in London the Norwegian newly founded design duo Andersen & Vøll, both co-founders of Norway Days, will present their latest output: 'Eva' - an armchair that both sits and reclines. With 'Eva' the designers join traditional craftsmanship in wood and modern textile technology. For this purpose they developed together with Innle in Tjøberg (NO) a special knitted wool textile that stretches and contracts leaving the chair visually rooted in all positions no matter how you sit or tilt the chair. Vienna-based practice Nadjari & Nadjari have captured another great view - of the Austrian city of Lake from the Pöchlarn Berg - in designing their 'Villa A'.
