# ARCHITONIC TREND ANALYSIS

# TOP 20 UK-BASED

# BRANDS & DESIGNERS

Architonic is the world's leading research tool for the specification of premium architectural and design products. Our curated database currently provides information on more than 300,000 products from 1,500 brands and 10,400 designers. 16 million architects, interior designers and design enthusiasts annually choose Architonic as their guide to the very best. This gives us an insight into developments in the architecture and design markets, which we would like to share with our community. For the London Design Festival 2016, we have identified the top 20 most-popular UK-based brands and designers on architonic.com.

## TOP 20 BRANDS BASED IN UK ON ARCHITONIC.COM

001	Modus	
002	Ercol	
003	Senator	
004	Anglepoise	
005	Anne Kyrrö Quinn	
006	KAIA	
007	Bert Frank	
008	Wrong for Hay	
009	Designers Guild	
010	Atelier Areti	
011	Made In Ratio	
012	Terence Woodgate	
013	H Furniture	
014	Case Furniture	
015	Rivelin	
016	Beadlight	
017	Colebrook Bosson Saunders	
018	Gloster Furniture	
019	Camira Fabrics	
020	Original BTC Limited	

#### OUR METHODOLOGY

This presentation is based on traffic information collected on architonic.com. All statistics and rankings shown in this article are based on the number of relevant search queries entered in the text-search field on architonic.com ('by text search') over the course of 2015.

#### TOP 20 DESIGNERS BASED IN UK ON ARCHITONIC.COM

001	Tom Dixon
002	Jasper Morrison
003	Ron Arad
004	Paul Smith
005	Norman Foster
006	Ross Lovegrove
007	Anne Kyyrö Quinn
008	Benjamin Hubert
009	Michael Anastassiades
010	David Chipperfield
011	John Pawson
012	Barber & Osgerby**
013	Lee Broom
014	Terence Woodgate*
015	Atelier Areti**
016	Nigel Coates*
017	Matthew Hilton
018	Ann Sacks*
019	Flemming Busk
020	James Burleigh

Designers marked with an \* use their own names as brand names. This, of course, has an influence on the number of active text searches. As opposed to groups of designers who choose an overall brand name for their studios (\*\*).

# OFFERS & SERVICES

ARCHITONIC

## FOR MANUFACTURERS

### MEMBERSHIP FOR MANUFACTURERS

Every working day 46,000 professional visitors carry out product research at Architonic. Take the opportunity to present your products where customers are looking for them: You will get daily views, clicks and contacts.

### MULTICHANNEL ADVERTISING

Your online campaign can be precisely focussed on the target group, with placement right at the heart of the architecture and design scene. A variety of different channels, such as website banners, editorial posts and social media posts across the Architonic and Designboom networks are at your disposal.

### PRODUCTS & NEWS APP

Architonic produces customised apps exclusively for its members! You can make your tailor-made app available in the AppStore or Google Play in a matter of weeks. And there is no additional work for you to keep it up to date, as we continuously access your products and reference projects in the Architonic database.

### VIRTUAL REALITY

Architonic has teamed up with leading virtual-reality experts designconnected.com to bring you a suite of cutting-edge digital services that will transform the way your products are experienced. We can provide you with powerful, bespoke sales and marketing content for you to use everywhere, on any type of online and offline channel.

#### Step One: Product digitisation

Let us create high-end, photo-realistic 3D model files of your products for use by render studios and CAD files in various formats for architects and planners to use in their BIM and planning software.

#### Step Two: Product Visualisation

- Allow us to create a collection of immaculately rendered virtual photographs of your products, showing them from any perspective and presenting them in any colour and material of your choice.
- Either following your creative direction or allowing us to develop a concept based on an initial brief from you, we can bring your products to virtual life by producing tailored digital photo-shoots, videos and interactive that present and animate them in a carefully crafted and unique interior-architectural space.

## FOR RETAILERS & AGENTS

### MEMBERSHIP FOR RETAILERS & AGENTS

Every working day more than 150,000 product data sheets are accessed at architonic.com. Every time a data sheet is accessed our WHERE TO BUY? service appears, exclusively listing the specialist retailers and agents who are our members in the specific locality.

### VIRTUAL SHOWROOM ©

On your own website you present the products of those manufacturers which you represent: clearly organised, always up to date and adapted to your corporate identity. This enables you to generate a regular supply of new customers, make an impression with your service and train your staff.

### VIRTUAL SHOWROOM APP ©

We are delighted to offer you an app that's tailored to your company's needs. The products of your brands will be loaded into the app straight out of the Architonic database and updated automatically. In addition, we will cross-link these products with reference projects featured in the architonic.com archive and your news feeds will be featured in a daily updated news area within your app.

### ONLINE SHOP MODULE

The Online Shop Module is a web-based, e-commerce software product, which specialist retailers and interior designers can, on licence, implement into their websites. The module can be modified to fit the client's brand identity, and, pulling product data straight from the Architonic Data Cloud, allows a fast and cost-effective entry into the world of e-commerce.

## FOR ARCHITECTS & DESIGNERS

### MEMBERSHIP FOR ARCHITECTS

We publicise your best projects and your profile where the right people will see them. Our jury makes sure that the environment is a top-quality one. More than 30 selected media partners make regular use of our information pool.

### PRODUCT RESEARCH

Architonic offers you a comprehensive reference database with 300,000 professionally classified furnishing and building products and materials. You can carry out research without limits and free of charge, with direct access to CAD files, PDF catalogues, prices and dealer lists.
