ARCHITONIC GUIDE

IMM

COLOGNE

2017

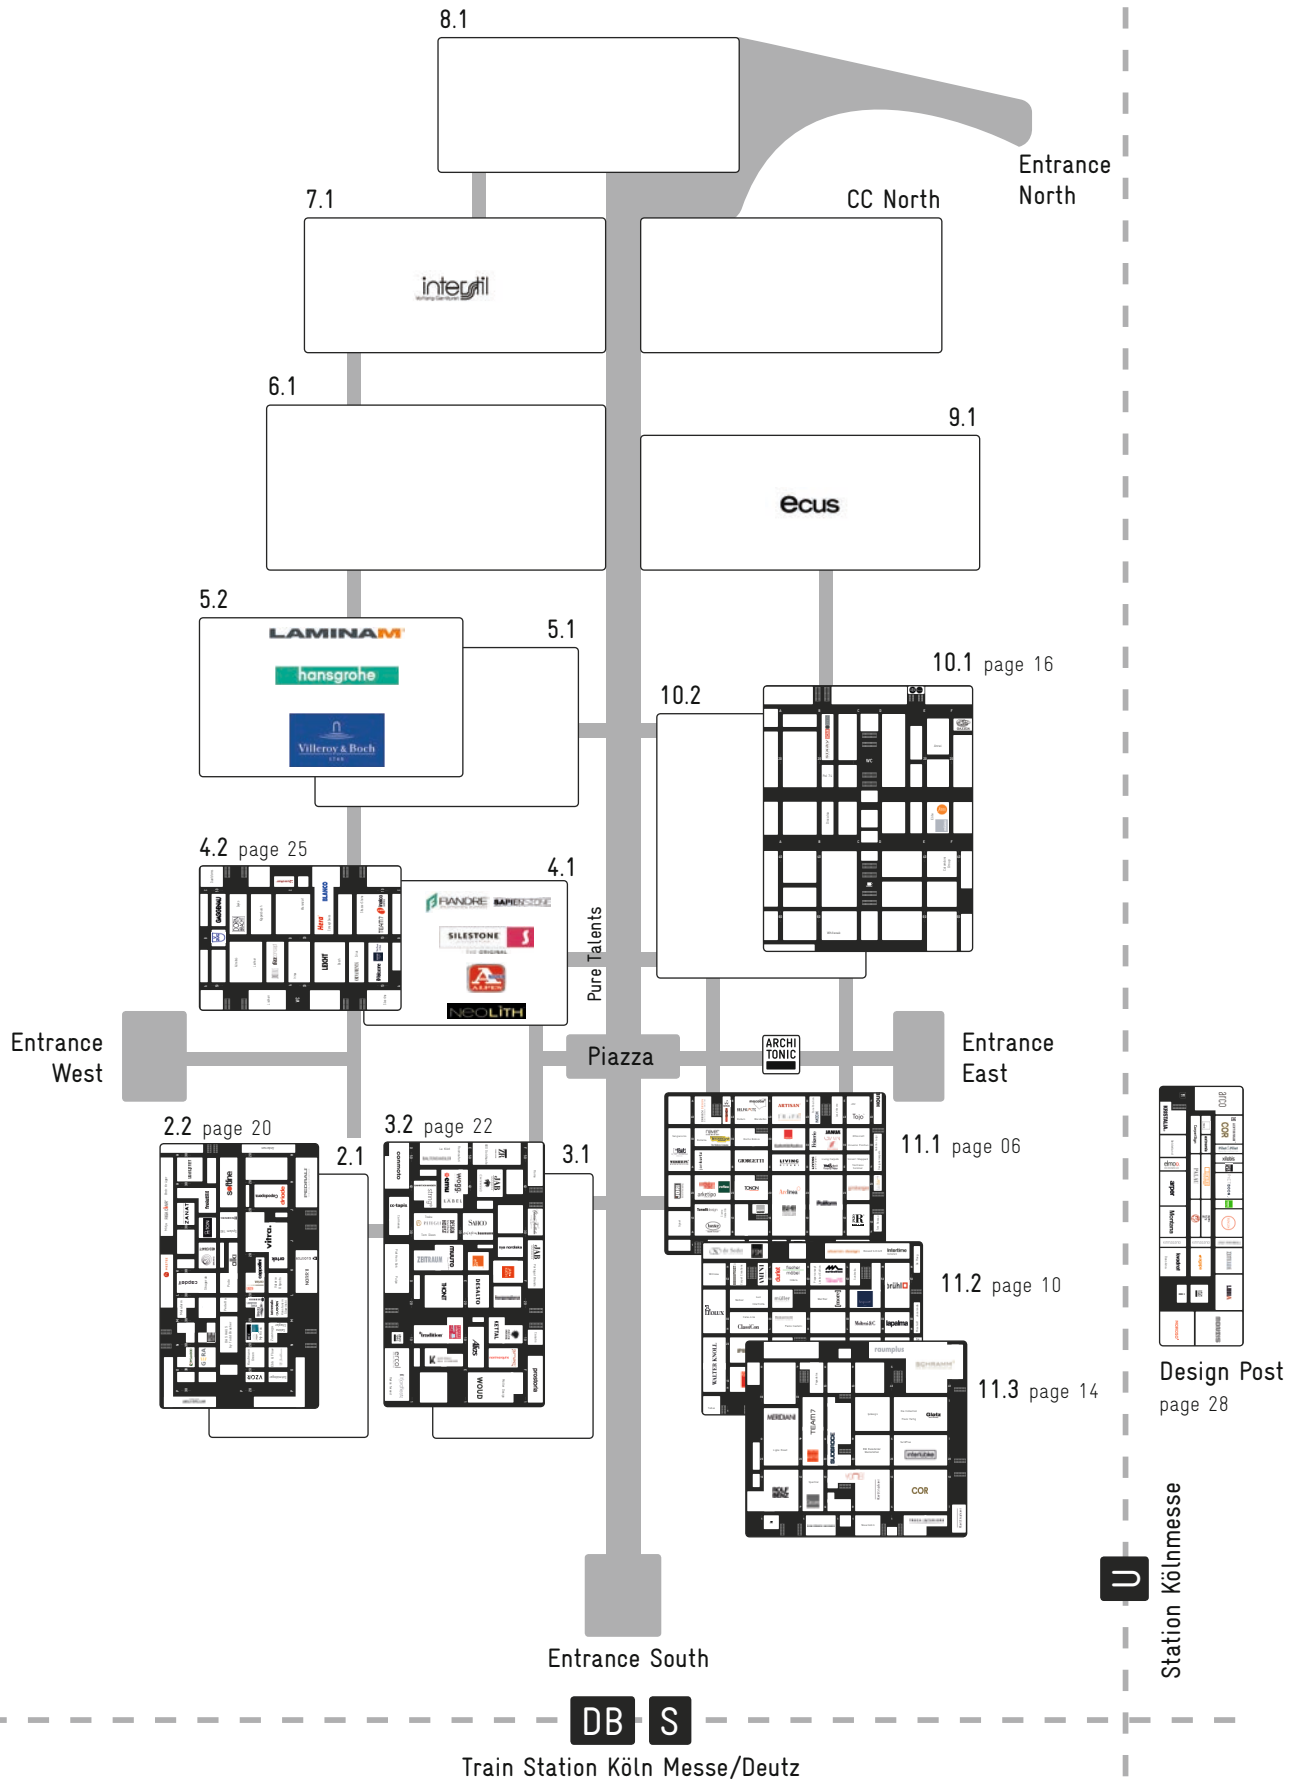

16-22 JANUARY

Der Architonic Guide möchte Ihnen Orientierung geben und dabei helfen, die besten Aussteller schnell zu finden. Die Auswahl von Architonic ist rein redaktionell und beschränkt sich auf Premium-Hersteller von Produkten, die für die Gestaltung von Gebäuden und Räumen relevant sind. Ein Guide von Architekten für Architekten.

The Architonic Guide allows you to find the best exhibitors quickly. Architonic's selection is purely an editorial one and is limited to high-end manufacturers whose products are relevant to the design of buildings and spaces. It's a guide by architects for architects.

ARCHITONIC TREND ANALYSIS

TOP 10 DRINKS CABINETS

from Architonic Members exhibiting at imm

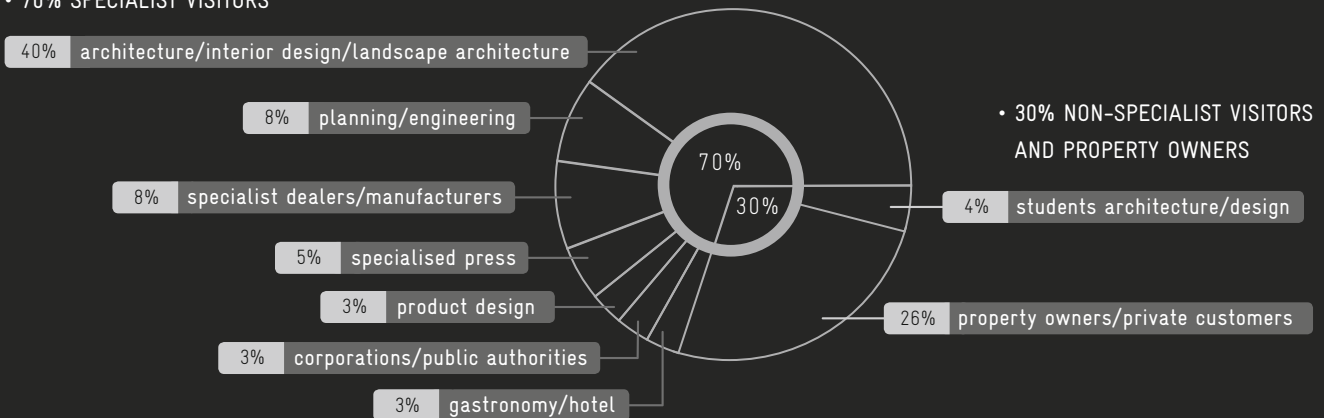

Architonic is the world's leading research tool for the specification of premium architectural and design products. Our curated database currently provides information about more than 300,000 products from 1,500 brands and 10,400 designers. 16 million architects, interior designers and design enthusiasts annually choose Architonic as their guide to the very best. This gives us an insight into developments in the architecture and design markets, which we would like to share with our community. For imm 2017, we have identified the top 10 most popular drinks cabinets on architonic.com from imm 2017 exhibitors.

The ranking is based on the number of page views on architonic.com, which depends on different traffic sources linking to the respective product, such as navigation on architonic.com, direct links via Google and advertising campaigns linking to the product among others. The rankings are limited to Architonic Member brands exhibiting at IMM 2017 and their products. All information was collected in the period March to November 2016.

Monk collection by Grupa

Was mit einem Funken begann ... entwickelte sich zur **Ikone**.

Der Unterschied heißt Gaggenau.

30 Jahre lang haben wir diesen einen Backofen perfektioniert. Unser jüngstes Werk betont sein unverwechselbares Design mit einer Tür aus einem einzigen Stück Edelstahl: beeindruckende 90 cm breit und 3 mm stark. Sie eröffnet Ihnen eine ungeahnte Welt kulinarischer Möglichkeiten.

Dieses neu gestaltete, in Handarbeit geschaffene Kunstwerk ist Ausdruck unserer Werte, unseres Könnens und unseres Charakters. Wir haben ihm den Namen EB 333 gegeben – eine Hommage an 333 Jahre, in denen wir Metall verarbeiten. Und schon immer ging es um mehr als um einen Backofen: ein Versprechen, Meisterwerke zu erschaffen.

Informieren Sie sich unter gaggenau.com.
