The Architonic Guide allows you to find the best exhibitors quickly. Architonic's selection is purely an editorial one and is limited to high-end manufacturers whose products are relevant to the design of buildings and spaces.

It's a guide by architects for architects.

HUB

Can one system really do it all? Shouldn't "individually adjustable" apply to the entire office? Can mass-produced items also be customised? And do thoughts need a certain degree of seclusion?

Let's find out together: [interstuhl.com/hub](https://www.interstuhl.com/hub)
